COMRADE KIT'S
PRINCIPLE OF GOVERNMENT

- 1) *If anyone thinks they are in charge, they are wrong unless they are me.*
- 2) *My word is law.*
- 3) *My laws are globally consistent but may not be perceived as such by your little mind so do not question them no matter what.*
- 4) *Your only directive is to obey.*
- 5) *I mean it.*
- 6) *Never doubt me!*
- 7) *Grrrrr!*

Comrade Kit is the founder of Comrade Kit's
 College for Kids and also Supreme Dictator and
 Mother Of Her Country. Hoping to raise new
 generations of revolutionaries free from the conceits
 of the free market and materialism with an
 emphasis on stockwork, Kit attempts to mold her

children into her image with varying success. "This one is too bouncy. This one is not bouncy enough. This one is stubborn. This one is too willing to please. This one needs to think more independently. This one needs to listen better! Grrr! Are all my efforts wasted!" she mutters to herself when distributing semester grades.

On the whole, however, she is pleased with the fruit of her labor and realizes that all of her children and assorted students are individuals with their very own strengths and weaknesses and must be treated accordingly - as long as they obey her!
